## **DETAILED ACTION**

### ***Reason for allowance***

1. The following is an examiner's statement of reason for allowance: None of the references of record teaches or suggests a method of vertically separating a thick wafer having a top surface and a bottom surface, the thick wafer being on a dice support, the method comprising: aligning a first dicing tool for a first dice with the thick wafer adjacent to the top surface; dicing the thick wafer to create a first dice; flipping the thick wafer so that the top surface is in contact with the dice support; aligning a second dicing tool for a second dice with the composite wafer adjacent to the bottom surface of the thick wafer; and dicing through the thick wafer.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance".
